The appearance and goalscoring data has been compiled from the team cards received

The 'Formed' date is based on when the team first played a game, some clubs may have been established the previous year.

Most Appearances & Most Goals are for the period 1968-2018 and are only for 'tier one' games. I.e Central League games & Capital Four and above

Data supplied by Barry Smith for the period 1968-1999 & Matt Snaddon for the period 2000-2018. National League data provided by Franchise Clubs or Comet.

2018 Season Review

by Dave Webster

National League & Oceania Champions League

Team Wellington were unable to make it three in a row in the National League, finishing second in the league and losing 1-0 Auckland City in the Grand Final. They did however turn the tables on Auckland City in the Oceania Champions League ending their seven-year stranglehold on the trophy, beating them on the away goals rule in the semi final after a 2-2 aggregate draw. This set up a final against Lautoka from Fiji which Team Wellington won 10-3 on aggregate and qualified for the Club World Cup.

Wellington Phoenix Reserves used 35 players during the season and were unable to get any consistency and finished ninth of the 10 teams. Highlight of the season was schoolboy Liberato Cacace graduating to the senior Phoenix team and gaining a professional contract.

National Youth League

The partnership between **Team Wellington** and Ole Academy continued this season with Ole's Declan Edge taking the helm as coach. They finished in fifth place with just three wins in the one round competition. Merlin Luke-Miny with six and Matt Garbett with five being the top scorers.

Wellington Phoenix Youth used the short nine game competition to concentrate on development and used 35 players the majority much younger than the opposition they faced. They managed only two wins and finished in last spot.

Central League

The drama in the Central League started before the league had even kicked off. Team Taranaki announced that they couldn't sustain enough players for the upcoming season and they would be withdrawing from the league. Havelock North Wanderers, who had lost the playoff to Waterside Karori, stepped up and took a Central League place at the last minute.

It was consistency that won the league. Bill Robertson's **Napier City Rovers** made it into the top spot in the third week and stayed there, losing just two games and having some big results (7-3 v Waterside Karori, 7-5 v Wairarapa United, 6-1 v Havelock North Wanderers). Uruguayan Martin Bueno led the way winning the golden boot with 21 goals. A big key to Napier's success was to keep on going until the end with several of their games being won with goals in the last 10 minutes.

Western Suburbs may feel hard done by as when you look at the league table they lost the least number of games (1), scored the most goals (63) had the best defence (conceding 15, 10 less than Napier), they were also unbeaten by Champions Napier City Rovers, but that's football! Ultimately a slow start with two draws in their first two games and a shock loss to an understrength Miramar cost them the title. The loss to Miramar was put in perspective when they played them at home later in the season. Wests put on an outstanding display of football and demolished a Team Wellington laden Miramar side 8-2. They also made it to the final of the Chatham Cup where they lost 5-4 on penalties to Birkenhead United.

Stop Out changed managers before the start of the season with Scott Easthope taking over from Chris Sambrooke who stepped down due to work commitments. Although Chris returned and assisted later in the season. They also had Luis Corales return from Olympic who along with Jerram Tuck scored 12 goals each as finished comfortably in third place 11 points behind Wests and eight points ahead of fourth place Olympic. Their third placing is the clubs highest finishing position since 1985.

After a horror season in 2017 in which they were in real danger of relegation, **Wellington Olympic** started well with three wins in their first four games including a 3-1 home win over Miramar, which was the first time in 10 years they had managed that. They then slumped to four straight defeats including a 7-2 thrashing by Stop Out at home in a game which saw Olympic reduced to nine men. The 4th defeat in a row saw them lose to bottom place Havelock North and Stu Jacobs resignation was accepted. The club bought in Sean Easthope (brother of Stop Out's Scott) and he won four of his first five games and despite only winning one more after that it was enough to leave Olympic in a respectable fourth place.

Wellington United, celebrating their 125th anniversary, started with a resounding 6-1 hammering of traditional rivals Miramar Rangers. Calvin Harris leading the way with four goals. Calvin joined the Phoenix academy when he was 14 but due to being born outside NZ he was unable to play senior football until this season as he had turned 18. He is an exciting prospect, he scored seven goals in six games, got sent off, then got injured when he was in Hong Kong with the Wellington Phoenix Sevens and was out for the rest of the season. His injury coincided with a bad run of form for United who picked up only seven points from their last 11 games and finished in fifth place.

Lower Hutt City should almost get to keep sixth position, it was their third season in a row they've finished in that spot. Sam Johnson was the star scoring 19 of their 35 goals. While coach Steve Coleman continued the club's good record of developing young players. The season was significant for team manager, Bobby Walker, retiring after 50 years active involvement with Lower Hutt City. He was deservedly inducted into the Wellington Football Hall of Fame at the end of the season.

Miramar Rangers were relying on Team Wellington players, having signed seven of them. However with Team Wellington's involvement in the Oceania Champions League going all the way to the final the players weren't available until half way through the season and by then Miramar's season was effectively over. Their seven wins and 10 losses saw them finish in seventh place.

Wairarapa United's played some entertaining football but their season was marred by a lack of consistency and a leaky defence. They conceded 52 goals the second most in the league. Up front Ex Phoenix professional, Hamish Watson, led the way with 17 goals in 14 games. And while Phoenix legend Paul Ifill may have muttered about retiring his 14 goals in 18 games may convince him to extend his career by another year.

After being the bridesmaid many times **Waterside Karori** finally made it back into the Central League for the first time since 1999. They got a new manager in Rupert Crump and a newish team as several players retired or departed for other clubs. They did recruit American Matt Sheldon, who as well as being a handy defender is a YouTube star with over 215 000 followers. The step up proved to be a challenge and it took six weeks for them to register their first points with a 4-1 win over Havelock North Wanderers. After that they managed five more wins and a draw and finished ninth, seven points ahead of Havelock North Wanderers. Highlight of the season was beating the league leaders and eventual champions Napier City Rovers 3-1 at home.

Havelock North Wanderers answered the SOS call from the Central League at the last minute and were always going to find it tough going. It took them four games to score their first goal, and five games for their first win, a 6-2 hammering of Wairarapa United. Ultimately the step up was too much and they conceded five or more goals on six occasions, which included the club's heaviest ever league defeat when they lost 9-0 to Western Suburbs

Capital Premier

The Capital Premier Division in 2018 was all about **North Wellington**. The management team of Lloyd O'Keefe and ex Team Wellington coach Matt Calcott attracted a talented and experienced laden side with many players used to playing higher levels than Capital Premier. It took them through the season unbeaten in the league. Canadian Maksym Kowal, who had been signed from National League Tasman United, led the way with 26 goals in 18 appearances. North Wellington confirmed their return to Central League for the first time in 18 years with a resounding 12-0 aggregate demolition of Central Football champions, Palmerston North Marist.

The rest of the division was very competitive with only 10 points separating Second to Seventh place at the end of the season.

After a good start to the season Paul Whitmarsh's **Petone** side looked like they had thrown away second place with a bad run getting only one point from four games, before they managed two wins in their last two games and pipped Upper Hutt City for second place on goal difference.

Upper Hutt City had a bad start to the season only picking up six points from their first six games. It was the Chatham Cup that kickstarted their season. Playing Capital Two side Seatoun, they almost lost until they scored a last minute equaliser to make it 3-3 and force extra time. The extra time proved too much for Seatoun, Upper Hutt won 7-3 who then went on a run that saw them lose just three of their next 13 games in the league and cup, this included knocking Central League leaders, Napier City Rovers, out of the Chatham Cup (3-0). Matt Fong leading the way with 21 goals.

With just three wins in their first 11 games, **Tawa** side looked like they'd be heading for a relegation battle, But a high scoring 6-5 win away to Miramar was the turning point of the season for them and saw them go on and win five of their last seven games and finish comfortably in fourth place.

Western Suburbs Reserves were another that had a bad start to the season with only two wins in the first half of the season which saw them in bottom place at the midway point. But six wins from their last eight games saw them climb to fifth.

To underly the closeness of the league outwith North Wellington, **Miramar Rangers Reserves** went from bottom of the table to second before dropping to third and fourth before settling in sixth place. Using 34 players during the season they had some high scoring games including 9-1 & 6-1 wins over Lower Hutt, 6-1 over Island Bay, and a 6-5 and 6-2 loss to Tawa and North Wellington respectively. Dominic Rowe showed he has still got his shooting boots with 15 goals including five in a game against Island Bay.

Island Bay United had a new coach in Tim Bush, but using 32 players during the season they struggled to find consistency and ended up in seventh place, with the same record as Miramar but an inferior goal difference. Young Jesse Randell top scored with 15 and was also named Capital Football's young player of the year.

The bottom three of Kapiti Coast United, Wellington Olympic Reserves and Lower Hutt City Reserves finished within two points of each other. **Kapiti Coast United** had a run of four wins in a row mid-season which saw them as high as fourth, but only one win after that saw them finish eighth with 16 points.

Wellington Olympic Reserves used a massive 42 players during the season but could only manage four wins. They looked as if they had avoided relegation on the last day with a resounding 10-1 thrashing of Lower Hutt City, only for the result to be reversed as Olympic had played an ineligible player. While they finished in Ninth their place in Capital Premier was secured by no Capital team being relegated from Central League.

Lower Hutt City Reserves started the season with two wins but that was as good as it got for them. They struggled in defence conceding five or more goals on six occasions and finished in last place with 14 points and will be playing in Capital One next season.

Capital One

Capital One became a four way race between Brooklyn Northern United (BNU), Victoria University, Wainuiomata and Waterside Karori Reserves that wasn't decided until the last day of the season with Victoria University winning the league with a goal difference one better than Wainuiomata who were also promoted. Waterside Karori Reserves and BNU missing out.

Outside the top four Miramar Rangers thirds had looked to be the early favourites for the title with five wins in their first six games but a mid season collapse saw them finish in fifth place.

Stokes Valley who had initially indicated that they would be withdrawing all together before the season started managed to find a team but struggled and with only two wins and 74 goals conceded they were relegated to Capital Two.

The other four teams in the league, Stop Out Reserves, Naenae, Tawa reserves and Petone Reserves battled it out to see who would avoid the second relegation spot. It was Petone that ended up in the spot, but it became irrelevant as no capital team was relegated from Central League.

Chatham Cup

22 Capital teams entered the 91st competition of the Chatham Cup in 2018. First time entrants, Martinborough from Wairarapa division two had a harsh welcome to the cup going down 15-0 to Capital One Kapiti Coast United in round one.

Capital Premier Upper Hutt City, who almost lost to Capital Two Seatoun, only equalising in the last minute of normal time, before going on to win 7-3 in round one, provided the biggest upset when they comfortably downed Central League leaders (and eventual champions) Napier City Rovers 3-0 at home in round 2.

It was Western Suburbs that went the furthest getting all the way to the final and taking Auckland's Birkenhead United to penalties which ended in them losing 5-3

2018 MATCH REPORT - GRAND FINAL

Auckland City are the ISPS Handa Premiership champions for a record-breaking seventh time after earning a 1-0 win over Team Wellington in the final at QBE Stadium in Auckland this evening.

The Navy Blues, who secured their ninth minor premiership in the regular season, won the title for the first time in three years when they outlasted defending champions Team Wellington in a hard-fought final in fine conditions.

Callum McCowatt, one of the players of the ISPS Handa Premiership season, came up with the decisive strike in the 83rd minute to get Auckland City's fanatical fans on their feet.

The youngster gathered the ball from a well-weighted Cam Howieson pass and then slotted home a fine finish across Scott Basalaj's goal. From there, they never looked back and secured a long-awaited seventh title.

The victory for Auckland City makes history for the proud club – they earned a record-breaking seventh national league title, taking them past Mount Wellington and Christchurch United on the all-time list.

Both sides knew each other well and there was nothing separating them for most of the match with clear-cut scoring chances hard to come by.

Team Wellington began brightly and hustled in the first 20 minutes to create some half chances. Andy Bevin, the club's joint top scorer this season alongside Jack-Henry Sinclair, found some space on the right of Auckland City's box in the 17th minute but dragged his shot wide.

The Navy Blues finished the stronger of the two sides and had the better opportunities to open the scoring. They enjoyed a good period of possession and territory in the final 15 minutes of the half with Emiliano Tade and Darren White becoming prominent.

The best chance of the half fell to Tade in the 32nd minute when he gathered the ball inside the box and cut onto his right foot but his powerful shot was blocked at close range.

Three minutes later, the six-time champions were on the attack again when Howieson found space down the left wing. The recently called up All Whites midfielder delivered a great cross to the head of Kris Bright but the big forward could not get his effort down on target.

The sizable presence of Bright caused Team Wellington problems in the 39th minute when he found Tade in the box and the Golden Boot winner produced a turn and shot but his effort was just off target.

After the break, the evenly-fought nature of the game continued with chances at either end.

Team Wellington had their best opportunity of the match when Andy Bevin created an intercept in the middle of the park. He found Jack-Henry Sinclair but the youngster took a tad too much time before shooting and his effort was blocked.

Auckland City came straight back and could have taken the lead when a corner found Tade at the back post. He connected with a good header but Basalaj was on hand to clear from the line.

With 20 minutes to play, Auckland coach Ramon Tribulietx made a double change with Fabrizio Tavano and Kris Bright being replaced by Mario Bilén and Micah Lea'alafa respectively.

The introduction of Lea'alafa made a particular impact, the Solomon Islands international wasting little time getting in on the action. He picked out Tade with a dinked ball in the Team Wellington box but the striker's touch was too heavy and Basalaj had it under control.

Ten minutes later, Team Wellington turned the ball over in a dangerous area and Lea'alafa did not hesitate to pull the trigger on the turn. He tested Basalaj again but the 'keeper managed a scrambled save.

It looked like the ISPS Handa Premiership final was heading to extra time before McCowatt won the game for Auckland City and finished a breakthrough season for the Navy Blues in style.

The Navy Blues had another couple of great chances to put the result to bed in the final stages which they could not convert but closed the game out anyway to write a piece of history for themselves.

Match-winner McCowatt capped off a hugely memorable evening on a personal level when he was awarded the inaugural Steve Sumner Trophy as player of the final while Tade collected his Golden Boot gong.

2018 MATCH REPORT - FINAL

Birkenhead United have won the ISPS Handa Chatham Cup for the second time in three years, finally overcoming Western Suburbs on penalties after a gripping final finished 1-1 at QBE Stadium in Auckland this evening.

The Paul Hobson-coached team, who lifted the trophy for the first time in 2016, won the prestigious cup for a second time in three years and showed great character and composure in front of 3,364 fans who braved the cold conditions.

The hero for 'Birko' was goalkeeper Damian Hirst, who saved a penalty in regular time and repeated that feat in the shoot-out to deny Suburbs in their first Chatham Cup final in over a decade.

Western Suburbs, two-time champions from 1971 and 2006, were trying to take home the prized silverware for the first time in 12 years but came up just short. They proved worthy finalists and showed that many in their squad have bright futures but tonight Birkenhead toasted Chatham Cup success again.

Birkenhead Head Coach Hobson said it was a surreal feeling to lift the trophy after a tense final that could have gone either way.

"It feels incredible," he said. "I still can't quite believe it. I didn't fancy us in the penalties, but I felt we deserved it in the end. The first half we were so-so but I felt we really got on top in the second half and when it got to penalties we are just happy to come out on top."

Centre-half Alec Solomons, who has returned from injury to be part of Birkenhead's squad this season, was a standout in the match and was named as the Player of the Final, the recipient of the Jack Batty Trophy.

"Words can't describe how happy I am right now," he said. "This is a personal accolade but this is more a reflection of our team. I love playing for Birkenhead and to win the Chatham Cup with this group of players is pretty special."

The Northern Football team got off to the perfect start when Alex Connor-McClean found the back of the net in the seventh minute on the end of a well-worked move. From a free kick, Solomons flicked on a perfect header for Connor-McClean to finish from close range.

The Birkenhead red-and-white army, who turned up in their thousands to QBE Stadium in Albany, were on their feet and dreaming of reliving the past cup glory.

Birkenhead United, who finished fourth in the Lotto NRFL Premier League this season, had a chance to score their second in the 16th minute. Luke Jorgensen was picked out at the back post but couldn't connect cleanly with his volley.

After the goal, Suburbs settled into the game and found their rhythm. They got back on level terms when Birkenhead turned the ball over deep in their own half. Mohamed Awad was played into the box and dummied his way around a challenge before firing past Hirst in the 34th minute.

West's looked the more likely to claim the lead heading into halftime and should have done so in the 40th minute on the back of a hotly-debated penalty decision.

Suburbs were awarded a spot kick after a challenge by Alec Solomons right on the edge of the area. Nathanael Hailemariam stepped up to take it but was denied by a spectacular save from Hirst. It was a huge moment in the match and kept the 2016 champions level heading into the sheds.

"Damian saving that penalty was a huge plus. We knew that they would be fit and keep going, so we were happy to go in 1-1 at half time. Second half I felt we had the better chances," said Hobson.

In the second half, the final was shaping as to who would break first as both defences handled the attacking threats well.

In the 55th minute, Hailemariam was played into the area and fired a shot from close range but it was easily contained by Hirst in goal.

At the other end of the pitch, on the back of concerted pressure, Birkenhead had a great chance to take the lead. A corner kick into the goalmouth was met by a header from Solomons but it was just wide.

The pressure kept coming and Birkenhead forward Bronson Kelly had a great chance in space but could not get a clean shot away. For all the chances, neither side could find the back of the net as the final headed into extra time.

The best chance of the added period fell to Elijah Just in the 100th minute. The promising young midfielder volleyed across goal and his shot missed by the smallest of margins.

That meant a penalty shoot-out would be needed and both sides struggled to keep their composure initially, Christian Gray and Harrison Moss-Edge both missing the opening spot kicks for Birkenhead and Western Suburbs respectively.

The subsequent penalties were all successful though and the game wasn't decided until Hirst pulled off another great save to keep out Dominic Wooldridge's attempt and bring the cup back to Auckland's North Shore.

2018 MATCH REPORT - GRAND FINAL (1st Leg)

Team Wellington have set themselves up for a strong final showdown in this year's OFC Champions League in Fiji after beating Lautoka 6-0 at David Farrington Park in Wellington this afternoon.

"I'm delighted," were the first words from Team Wellington coach José Figueira at the final whistle.

"You go into a final wanting to, in the first leg, put ourselves in a good position for the second leg and I thought especially in the second half we went up in the gears.

"It was great to see the boys keep a foot on the throttle and keep attacking so obviously, just delighted with the result today."

It was a slow start to a match in which the men from New Zealand's capital went in as firm favourites after having to make do with the runners-up medal for the past three years in-a-row.

But having done the business of knocking defending champions Auckland City out in the semi-finals, today's game would mark the start of a new era of football in Oceania regardless of the result.

When Ross Allen finished a fantastic ball in from Roy Kayara in the 16th minute it certainly felt like a repeat of Team Wellington's quarter final blowout victory over Lae City Dwellers could be on the cards.

However, the goal gods didn't appear to be shining on a strike force that normally fires with such precision. Four shots in the first half were sent flying out of the park, and that seemed to be the tone for Team Wellington's efforts.

Nathanael Hailemariam struggled to get a plethora of chances on target, although the effort from Beniamino Mateinaqara shouldn't be overlooked with the keeper doing a fine job of keeping his team in the race.

That may have been something to do with a heavily defensive approach taken by their opponents Lautoka. The Fijians went into the game hoping to keep things level for the first half with plans to start pressing much higher in the second half.

Unfortunately, it didn't quite work out that way for Kamal Swamy's squad.

Although the coach hoped that his side would come out hungry to bring themselves back into contention for the second half things didn't go exactly to plan.

They held up strong for the first 15 minutes or so, which had Swamy feeling encouraged but when substitute Jack-Henry Sinclair put the ball in the back of the net with a close-range tap-in heads dropped along with morale for Lautoka.

Andy Bevin won possession on the edge of the box before receiving the ball back and firing low for Team Wellington's third before a masterclass from Mario Barcia took them to four.

It really fell apart for the visitors in the 64th minute when Praneel Naidu, a hero for Lautoka in the semi-final, received a straight red for a late sliding challenge from behind on New Caledonian Roy Kayara.

Now down to ten men with a four-goal deficit to try and overcome, Lautoka could have rallied and tried to stem the flow. However Wellington weren't quite done.

A poor clearance from the visitors allowed Sinclair to steal a brace with a cheeky side-foot chip of the keeper.

Defender Taylor Schrijvers then closed out Team Wellington's account for the first leg with an 84th minute header neatly placed between Mateinaqara and his near post.

For Swamy, there's now a lot to consider ahead of the second leg at Churchill Park after a forgettable 90 minute performance from his side.

"We did not expect it," he said of the eventual result.

"But I think Wellington was the better team.

"In the first half we wanted to defend and in the second half we wanted to be pressing them. But we conceded a goal," Swamy continued.

"In the second half we did start well but after the goal was conceded the morale went down and that is what is football and that's why we suffered today."

While the win was one objective for Team Wellington today, Figueira said it was also about putting in a good performance, which his players achieved.

"I think just the way we were so determined and passionate to have the ball and attack was a highlight for me today.

"We wanted to dominate the game by attacking and being in the other team's half as much as possible and we did that for really huge periods," he said.

"I guess the combination of the season's work at this stage of the campaign, we're looking right at the top of our game and really sharp so that's a testament to the work that goes on behind the scenes, but to the players too."

2018 MATCH REPORT - GRAND FINAL (2nd Leg)

Team Wellington will finally have their name emblazoned on the OFC Champions League trophy after overcoming Lautoka 10-3 on aggregate over two legs in the final of Oceania's premier international club competition.

"I'm delighted, we're still absorbing everything but after a season of tremendous hard work, to finally clinch the big one is a tremendous feeling," Team Wellington coach Jose Figueira said at the final whistle following a 4-3 Leg 2 OFC Champions League final victory.

Today's win was a matter of course for the three-time runners-up who had done all but sewn up the title with their 6-0 romp past the Fijian club side at Dave Farrington Park a week earlier.

Lautoka were already starting on the back foot after losing goalkeeper and captain Benaminio Mateinaqara to a shoulder injury for this match. The gloveman had an impressive campaign up until the first leg final against Team Wellington and was obviously disappointed not to be fit.

In his place was Senirusi Bokini who initially appeared ready for the task but when he came off his line to clear a ball only to send it directly to his opponents it seemed it was going to be a long afternoon.

Mario Ilich picked up the loose clearance and seeing the keeper off his line, looped in an excellent shot. Bokini scrambled back, getting a palm to the ball and keeping it out, but Dave Radrigai carried the ball over the line for the opener in just the 10th minute.

There were thoughts that the early goal might see the floodgates open for Team Wellington, however this was a Lautoka side with renewed purpose keen to show the form that carried them to the final.

Brian Kaltack, Benji Totori and Osea Vakatalesau led the charge forward for the home side, with several first half chances going just short of the target.

However fortune was once more on the visitor's side as a clearance made it only as far as Ilich on the top of the box who drilled a shot past Bokini for his side's second of the evening.

Both teams made changes at half-time and it was Team Wellington's swap of Jack-Henry Sinclair for Ross Allen which proved more fortuitous as the Guernsey striker linked with Nathanael Hailemariam to find a third for his side in the 51st minute.

Being three down seemed to be what Lautoka needed to fire them into action as Benji Totori took matters into his own hands, or feet as it were. Lautoka worked the ball into the penalty area before the competition's leading goal scorer rounded a defender and keeper Scott Basalaj to add yet another to his tally.

Shazil Ali was the author of Lautoka's second goal of the afternoon with a beautifully curled effort landing in the top corner corner, just out of a diving Basalaj's reach. Just a minute later Totori did what he does best, cutting through the defence and slicing across the goal mouth for his brace and the equaliser.

With barely five minutes left in the match it looked like Leg 2 might be a well-deserved draw for Lautoka after an impressive comeback. But with their tickets to the UAE booked, Team Wellington wanted a clean victory to see them off to the FIFA Club World Cup.

Enter Angus Kilkolly, who needed just one more goal to go equal with Emiliano Tade in the Golden Boot race, was left unmarked giving him plenty of time to pick a spot and scoop the ball into the back of the net for the winner.

Lautoka's second half comeback was pleasing for coach Kamal Swamy to witness as he saw the fighting spirit return to his charges.

"I think we created a lot of opportunities, better than what we created in Wellington.

"We played possession football but in the counter attacks we were slower. I'm proud of this Lautoka team, it's the first time in the final and that's a great achievement and I hope we will continue like this, improving every day."

"Ultimately Wellington was a better side, so congratulations to them."

Figueira said although the team had done a lot of the work for the final in the first leg at home, they didn't come to Lautoka expecting an easy task.

"We always knew, it's so difficult to play away in the Champions League and that first leg was really crucial. We got off to a good start and it was more than expected, but we knew Lautoka was going to be a tough nut to crack and we got that in the second half.

"Perhaps a bit of tiredness, a little bit of lack of quality in a few little areas, but credit to them. I said in the semi-final that this team has got so much character and even in the most difficult of situations they can grind a result out and that's the sign of a champion team."

As well as taking out their maiden OFC Champions League title, Team Wellington were also rewarded for their outstanding individuals.

After scoring the winner today, Angus Kilkolly equalled Emiliano Tade's eight goals in the competition to earn himself the Golden Boot after playing less minutes than the Argentine.

New Caledonia's Roy Kayara was awarded the Golden Ball after a campaign of impressive performances for Team Wellington showing his nous and game understanding both defensively and offensively.

Former champions Auckland City did not go completely unrewarded this year as they take home the Fairplay Award while goalkeeper Enaut Zubikarai, who conceded just twice in this competition, was awarded the Golden Gloves.

Team Wellington have qualified for the FIFA Club World Cup in UAE where they will meet the winner of the UAE Arabian Gulf League, Al Ain.

2018 HALL OF FAME

Billy was born in Seatoun and attended Rongotai College. While still at school, John Adshead selected him for a New Zealand B trip to the islands, but the tour was canned.

Still a schoolboy, Billy joined Wellington Diamond United, and played the last game of the 1979 season. His last season in National League was with Mt Wellington in 2000, so his National League career spanned four decades and six clubs, scoring for all of them.

He played for WDU for twelve seasons. Between 1984 and 1987, he was Wellington Player of the Year, and New Zealand Player of the Year three times (twice Players' Player, and once Arcus Trophy Best and Fairest). He was a member of Diamonds' National League winning teams in 1981 and 1985, and was twice runner up to the National League Golden Boot. He represented New Zealand at under 16, under 19 (beating Australia to win the Oceania Championship) and senior level.

He's been coaching for many years and coached Westlake College to win the Nationals, Auckland City to win the National Youth League, and Central to win the Chatham Cup three times.

Billy also wrote a column in the Sunday Star Times for twenty years. He's been named Football Writer of the Year, and Metro magazine's best sports writer.

Bobby joined the Lower Hutt City club in 1969. He played 78 games for the club in the Central League, scoring 13 goals. And played many other games for other Lower Hutt club teams.

In addition, he coached at junior level for 9 years, and this included a year when he coached the first Lower Hutt junior team to win a Regional League title.

He served a stint as Club Captain from 1972 to 1974; and started his managing career of senior teams in 1993 when he managed the Super club team as Team Manager.

Bobby has been the Central League Manager for many of the last 20 years.

Bobby has also helped with a multitude of other tasks over his 50 years with the club from player, committee member, team manager rub downs in those days we didn't have physios.

Bobby has helped on many of the club's fund-raising activities, including the infamous bottle drives and numerous raffles, and social events planned to raise some much-needed income for the club.

To this day Bobby will be remembered as a gentleman and a very good man to many people in the footballing world, he is always willing to help and give his time where possible for the cause,

He will still support the club but from behind the fence in
